

2017 Jeans Day Registration Form

What is better than cheering for the Detroit Tigers? Cheering for them in your jeans! Help the Detroit Tigers Foundation support youth baseball by participating in a company jeans day. Can't wear jeans to work or already wear jeans in your office? Instead, wear sneakers to work, Detroit Tigers team apparel, or come up with a fun theme for the day!

This flexible fundraiser can fit any company's calendar. As part of the special day, employees will donate \$5 per person to be collected by your company. In appreciation for each donation that is collected, the Detroit Tigers Foundation will provide a limited edition Detroit Tigers pen for every participant. If your organization collects \$1,000 or more, you will receive a custom Detroit Tigers autograph prize pack to raffle off to a lucky employee. The top three fundraising organizations this year will receive a custom Detroit Tigers jersey with their company's name to display as a thank you for your support.

Your company may match donations collected from employees in order to raise additional funds for the Detroit Tigers Foundation and to qualify for an autograph prize pack. All donations help further the Detroit Tigers Foundation's mission to enhance lives through the game of baseball with a focus on youth, education and recreation in the greater Detroit area.

Donations must be collected by employer and are tax deductible to the extent permitted by law. Gift to Detroit Tigers Foundation, an affiliate of Ilitch Charities, should be paid by one company check mailed by employer. If your company prefers to pay by credit card, please visit tigers.com/jeansday or contact the Detroit Tigers Foundation at 313-471-2113.
